

AQUAOCEAN TRANSPORT, INC.

15th Annual KICKSTART Tribute Dinner

“KICKSTART”, formerly known as Kick Drugs Out of America erected by Chuck Norris, is a character building, life skills program dedicated to saving and transforming children’s lives through Martial Arts training. Over 35,000 children have participated in the Kick Start program since its inception in 1992. Ms. True takes great pleasure in participating annually to support this program and all it does for our children.

See for yourself the impact KICKSTART is making in children’s lives:
